APPLICATION FOR GARAGE SALE PERMIT

Fee: \$5.00 per event

Two (2) garage/yard sales are permitted per residence per calendar year. However, one rain date will be allowed for the following week only. Sales are permitted for no more than two (2) days between the hours of 8:00 a.m. and 4:00 p.m. A sign is permitted only on the property where the sale is located and may be no larger than 4 square feet nor higher than 3 feet from the ground. Signs are not permitted in parkways. The application and fee should be submitted at the Village Hall 48 hours prior to the requested sale date.

Any garage sale held in conjunction with the annual community garage sale does not count toward the two (2) maximum sales per year and does not require a permit.
