## **SPECIAL EVENT APPLICATION PACKET**

Fee: \$0

A special event permit is needed for an outdoor event with special requests like street closures, use of public rights of way, events requesting variances from the liquor regulations, or amplifiers. Street closures, use of public rights of way, special liquor requests and extended amplifier hours require Village Board action. The completed form should be submitted to the Village Clerk at the Village Hall or by mail. If the event includes a street closure or use of public right of way, include a map showing the area of the event and the desired closure locations. If the nature of the request requires Village Board action, the complete application must be received at least five business days prior to the Village Board meeting. The Village Board meets the second and fourth Mondays of the month.
