INSTRUCTIONS FOR REZONING/MAP AMENDMENT PROCESS

The petitioner must submit two (2) completed copies of the petition, along with a non-refundable \$200 filing fee, to the Village Clerk.

When any review of any matter of the petition requires review by outside consultants to be hired by the Village, the petitioner is responsible for reimbursement to the Village for these costs. The Village may require an escrow of 110% of the estimated cost for payment of the consulting services. It is the responsibility of the petitioner to request the return of any unexpended escrow balances.

The Village Clerk will forward the petition to the Zoning Department for processing. Providing all information necessary to process the petition is in order, a public hearing will be scheduled within 30 days of the date of submittal or from the last day all required supporting documentation is submitted, which ever is later. The regular meeting of the Planning and Zoning Commission is the fourth Wednesday of every month.

It shall take a concurring vote of four (4) members of the Commission to recommend approval of any petition. All recommendations shall be made at a public meeting by motion made, seconded, and the Chairman polling the membership by a roll call vote.

After recommendation by the Planning and Zoning Commission, the Village Board shall act on the written recommendation within 30 days of the date the written recommendation is received by the Village Clerk.

The Village will place the appropriate notice in a newspaper of general circulation in the Village, not more than 30 days nor less than 15 days prior to the public hearing, in accordance with state law.

If the petitioner is other than the owner of the property, the owner must sign the petition, in addition to the petitioner.
