H. Discussion Regarding Elimination of the Village Vehicle Sticker Program

There was discussion about eliminating the vehicle sticker program with the exception of the Non Highway Vehicles (golf carts) and dog tags. Staff looked at revenue and the cost to run the program and are looking for formal direction from the Board to either eliminate the sticker program or continuing to implement it. The Administrator and Mayor explained with the reduction in Community Development staffing, non property tax revenues, revenues increasing, optimizing future growth and freeing up staff

time spent that it would not be detrimental to eliminate them. Trustee Sluis expressed she is in favor of eliminating them. Trustee Sandberg stated he purchases multiple stickers and would want to make sure that the revenue is there to replace program revenue. Trustee Strba expressed concerns about wanting to make sure there is a revenue source to replace funds and about not implementing a food tax to replace funds, he said he would be ok with eliminating it if those items were addressed. Trustee Marevka stated she would be on board as long as the revenue is recouped elsewhere and stated that it could be helpful for residents. Trustee Richards said she was not opposed to eliminating it. The Mayor concluded that it is an unpopular program and eliminating it will free up staff time and having to deal with unhappy residents and recommends bringing the ordinance back to the Board in January for approval.

I. Approve Payout 1 (Initial) to Iroquois Paving Corp in the Amount of \$68,911.38 for the Crawford St MFT/RBI Resurfacing Project

Board of Trustees Memo

TO: Peter March, Mayor
Village Board of Trustees

From: Nick Palmer, Village Administrator

Date: January 9, 2024

Subject: Ordinance amending Title III (Administration) of the Code of Peotone to add a New Chapter 41 (Electronic Participation in Meetings)

For Agenda: **January 13, 2025** Administrator sign off: *WNP*

Agenda item:

Ordinance amending Title III (Administration) of the Code of Peotone to add a New Chapter 41 (Electronic Participation in Meetings)

Background:

There are unique circumstances that occasionally prevent elected officials from participating in-person at board meetings. The demands of modern life have made required long-distance travel more common and competing demands for public official's time have grown. The proposed amendments to the Village Code articulate specific guidelines to allow for electronic participation at Village Board meetings if certain conditions are met.

For a member to participate, they must notify the Village Clerk before the meeting, unless impractical, so that the necessary communications equipment can be arranged. Inability to make the necessary technical arrangements will result in denial of a request for remote attendance.

Reasons why a member is unable to physically attend a meeting include:

- Personal illness or disability;
- Employment purposes or the business of the public body;
- Family or other emergency; or
- Unexpected childcare obligations.

After receiving an electronic attendance request, the Village Clerk will inform the board. Upon establishing a physical quorum at the meeting, the presiding officer will state that a notice was received in accordance with the established rules, confirm there is no opposition to the remote participation, and then establish that the member is deemed authorized to attend via electronic means.

Fiscal impact:

There should be no fiscal impact for this process.

Board action:

Approve ordinance allowing for electronic participation in meeting

Supporting documents:

Ordinance amending Title III (Administration) of the Code of Peotone to add a New Chapter 41 (Electronic Participation in Meetings)

ORDINANCE NO. _____

**AN ORDINANCE AMENDING TITLE III (ADMINISTRATION) OF THE CODE OF PEOTONE
TO ADD A NEW CHAPTER 41 (ELECTRONIC PARTICIPATION IN MEETINGS)
REGARDING ELECTRONIC PARTICIPATION IN MEETINGS**

WHEREAS, the President and Board of Trustees of the Village of Peotone have full authority to regulate the conduct and procedures of their Village Board meetings as well as the public meetings of the Village's other boards, commissions and committees, subject to compliance with applicable State and Federal laws, like the Open Meetings Act (5 ILCS 120/1 *et seq.*); and

WHEREAS, the demands of modern life have made required long-distance travel more common, while at the same time the issues facing appointed and elected municipal officials are more serious, numerous and urgent than ever before; and

WHEREAS, the Illinois amends the Open Meetings Act authorizes public bodies under limited circumstances to allow their public officials the opportunity to attend and participate in open and closed public meetings through the use of telephone conference calls or other electronic means; and

WHEREAS, the President and Board of Trustees of the Village of Peotone find that there may be circumstances where a Village official may be absent from an open or closed board, committee or commission meeting, but that it is in the public interest to allow the absent Village official to participate, debate and vote on agenda items and issues that are discussed at such meetings through the use of telephone conference calls or other electronic means so that the business of the Village can be conducted in a timely and efficient manner with full input from all of the appointed and elected Village officials, and that it is in the best interests of the Village to codify the rules for such participation as set forth below.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Peotone, Will County, Illinois, as follows:

SECTION 1: Each whereas paragraph set forth above is incorporated by reference into this Section 1.

SECTION 2: Title III (Administration) of the Code of Peotone is amended by adding a new Chapter 41 (Electronic Participation in Meetings) to read in its entirety as follows:

CHAPTER 41: ELECTRONIC PARTICIPATION IN MEETINGS

SECTION:

40.01 Rules Statement

40.02 Definitions

40.03 Rules and Procedures

§ 41.01 RULES STATEMENT.

Consistent with the Illinois Open Meetings Act (5 ILCS 120/1 et seq.), the Village of Peotone desires to establish rules and procedures that will allow appointed and elected members of boards, commissions and committees to attend, participate and vote at open and closed public meetings through the use of telephone conference calls or other electronic means, provided that such attendance is in compliance with these rules and any applicable laws.

§ 41.02 DEFINITIONS.

DEFINITIONS: The definitions of the terms “meeting,” “public body,” “other means,” “quorum” or any other defined term used in this Chapter, which are also found in the Open Meetings Act, shall have the same definitions as contained in the Open Meetings Act (5 ILCS 120/1 et seq.), as amended.

§ 41.03 RULES AND PROCEDURES.

(A) Village boards, committees and commissions must comply with all of the applicable requirements of the Open Meetings Act (5 ILCS 120/1 et seq.), as amended.

(B) Village boards, committees and commissions are prohibited from establishing a quorum to conduct business at an open or closed meeting through the attendance of board members by the use of telephone conference calls or other electronic means. A quorum of members of a Village board, commission or committee must be physically present at the location of an open or closed meeting.

(C) Village officials who wish to attend a meeting through a telephone conference call or other electronic means must give notice before the commencement of the meeting to the recording secretary or the Village Clerk, unless advance notice is impractical. Inability to make the necessary technical arrangements to allow electronic participation will result in denial of a request for remote attendance.

(D) Meeting minutes must reflect whether a member is present physically or electronically, regardless of whether any members are attending through the use of a telephone conference call or other electronic means.

(E) Provided that the audio, telephone or video conference connection allows the voice of an absent member to be clearly heard by the attendees of the meeting (including the public) and the absent member can clearly hear the voices of the attendees who participate in the meeting, a member of a Village board, committee and commission may attend, participate and vote at an open or closed meeting through the use of a telephone conference call or other electronic means if the member is prevented from physically attending because of:

- (1) personal illness or disability;
- (2) employment purposes or the business of the public body;
- (3) a family or other emergency; or
- (4) unexpected childcare obligations.

(F) Where one or more members of a Village board, committee and commission is attending the meeting by use of a telephone conference call or other electronic means, the presiding officer shall, immediately after convening of the meeting, announce to the public which member is attending the meeting by use of a telephone conference call or other electronic means, identify the method of attendance and the reason why the absent member is participating by such means. The member will be deemed authorized to attend the meeting electronically unless a motion objecting to the member's electronic attendance is made, seconded, and approved by two-thirds (2/3) of the members of the public body physically present at the meeting. If no such motion is made and seconded or if any such motion fails to achieve the required vote by the members of the public body physically present at the meeting, then the request by the member to attend the meeting through a telephone conference call or other electronic means shall be deemed approved by the public body and the presiding officer shall declare the requesting member present. After such declaration by the presiding officer, the question of a member's electronic attendance may not be reconsidered.

(G) If the presiding officer of the public body is attending the meeting by telephone conference call or other electronic means, then the person who acts in the absence of the presiding officer shall chair the meeting. If there is none, then the presiding officer shall appoint a member of the public body who is physically present at the meeting to serve as chair of the meeting. The appointment of a chair shall be subject to the advice and consent of the public body. The presiding officer who is participating by electronic means shall be authorized to participate in the meeting to the extent authorized by law or ordinance except for those acts involved with chairing the meeting.

(H) The voice of the absent member participating by telephone conference call or other electronic means, after being identified by the other Village board, committee and commission members as belonging to the absent member, shall be simultaneously broadcast to the public present at the meeting so that his or her voice can be heard, and the member shall also be able to hear any discussions of the other members and the public comment regarding any issue discussed at the meeting before a vote is taken.

SECTION 3: All ordinances, or parts of ordinances, in conflict with the provisions of this Ordinance, to the extent of such conflict, are repealed.

SECTION 4: Each section, paragraph, clause and provision of this Ordinance is separable and if any provision is held unconstitutional or invalid for any reason, such decision shall not affect the remainder of this Ordinance, nor any part thereof, other than that part affected by such decision.

SECTION 5: Except as to the Code provisions set forth above in this Ordinance, all chapters and sections of the Code of Peotone, as amended, shall remain in full force and effect.

SECTION 6: To the extent necessary, all table of contents, indexes, headings and internal references or cross-references to sections contained in the Code of Peotone, as amended, that have been deleted or amended by the Code Amendments set forth above, shall be amended by the Village's codifier so as to be consistent with the Code Amendments of this Ordinance.

SECTION 7: This Ordinance shall be in full force and effect from and after its adoption, approval, and publication in pamphlet form as provided by law.

From: Nick Palmer, Village Administrator

Date: January 10, 2024

Subject: Ordinance amending section 72.01 (vehicle parking) of Chapter 72 (parking regulations) of the Village Code of the Village of Peotone

For Agenda: **January 13, 2025** Administrator sign off: *WNP*

Agenda item:

Ordinance amending section 72.01 (vehicle parking) of Chapter 72 (parking regulations) of the Village Code of the Village of Peotone regarding parking

Background:

Chief Dave DeMik has been working to clean up the Village Code to be more accurate with regards to vehicle parking. The proposed ordinance was prepared by Chief DeMik and was then reviewed and drafted into proper legal form by the Village Attorney.

These amendments to the Village Code addresses previous concerns and puts the Village on more solid ground when it comes to enforcement of violations and other questions of allowed parking on various Village streets.

Fiscal impact:

There are no new costs for the Village due to these changes.

Board action:
